## FEDERAL TRADE COMMISSION FUNERAL FORM

The Federal Trade Commission Trade Regulation Rule for “Funeral Industry Practices” requires certain disclosures and prohibits misrepresentations. This Disclosure / Disclaimer form is a check list we ask those we serve to read and sign if during the arrangements that our funeral firm did the following:

Name of Deceased: \_\_\_\_\_

Date of Death: \_\_\_\_\_

Date of Funeral and/or Final Disposition of Body: \_\_\_\_\_

I / We who made the arrangements for the funeral and final disposition of the remains of: \_\_\_\_\_  
do hereby attest to the following.

- 1) I / We were told that Casper Funeral & Cremation Services General Price List is available on their website and includes; prices, services and merchandise.
- 2) I / We were not told the embalming is required by law and were told that the law does not require embalming except in certain special cases. If it was provided, this was done with my/our permission.
- 3) I / We were not told that any law requires embalming for direct cremations, immediate burial, a funeral using a sealed casket, or if refrigeration is available and the funeral is without viewing or visitation and with a closed casket.
- 4) I / We were not told that any law requires a casket for direct cremation or that a casket other than an unfinished wood box is required for direct cremation or for direct disposition.
- 5) No claims were made to me/us as to the merchandise or other offerings of this funeral firm (embalming, casket, outer burial containers). No representations or warranties were made to us about the protective features of caskets or outer burial containers other than those made by the manufacturer. That embalming or the use of any merchandise available from this funeral firm would delay the decomposition of the remains for a long term or indefinite time. No other warranties and no warranties of merchandising for a particular purpose were extended to us by the manufacturer or Casper Funeral & Cremation Services.
